

To move or start service with Entergy can be done over the computer at Entergy.com.

- Click on **RESIDENTIAL CUSTOMERS** at the top of page.
- On the left side menu click on **START/STOP/MOVE SERVICE**.
- If you already have an online account with Entergy, under the box that says **I HAVE A USER ID** select in the drop-down menu **MOVE MY SERVICE**.
- If you don't have an account or an online account with Entergy, under the box that says **I DON'T HAVE A USER ID** in the drop-down menu choose **START NEW SERVICE** *or* **MOVE MY SERVICE**.
- Once you have made your selection proceed to fill out User Registration and continue.

Or over the phone at 1-800-ENTERGY (1-800-368-3749)
